Jewish Responses to Persecution, 1933-1946: A Source Reader (Documenting Life and Destruction: Holocaust Sources in Context)

Doubtless, debauchery is bestial, vice is bestial; what's putrefied must be cast aside. In this context, an unequal hit rate is frequently interpreted as evidence of animus-driven biased behavior; the assumption here is that statistical prediction by the police would generate disparities in treatment that improve the allocation of police resources, whereas racially biased behavior that is not driven by statistical prediction is likely to be driven by animus although, as noted above, there are other causes of racially biased behavior.
