According to Ihtiyat Wajib, a man must cover those parts that are commonly covered by men, in the event that he knows that a non-family member woman will look at. In short, the ethics of teaching lie not only in maintaining order in class and offering knowledge to young heads, although these may be prerequisites, but it is to do so in such a way that the small individual becomes aware by himself of the necessity of both, which therefore will not be felt as constraints but as instruments of liberation. You may want to consider a day workshop.
