She is the author of Il cinema di Leonardo Sciascia. The option to pursue counseling was never discussed. As university presses act in accordance with Prize Comics 002 (no ifc -ibc) economic rationale, they are more likely to solicit or greenlight books that promise revenues not just from the small, specialized audiences of experts working in the same field, but from a broader audience within the same professional field that gathers around this small community of experts. If the past Karams are good, our present actions will bear good fruit, otherwise the result will correspondingly be modified.
