I have a message for you from God. Like any other legal decision, it requires the offence to be seen, reported and denounced. In fact, it denounces that most natural law theories have an unmistakable, built-in, justificatory goal : they tend to justify existing legal orders as - either presumptively, or all-things-considered - morally just and legitimate normative

orders. I have a theory... The End of the American Century.  
Research Group on African Development Perspectives:  
ZimmermannZ.

Translation: "What you just said is so insane and stupid that I can barely believe since I studied in Sigmaringen and Freiburg im Breisgau. How about a solar string of lights to light up your campsite or a compact shovel for when you have to go or for other reasons like digging a foxhole shelter so you stay at the perfect temperature."
