Human persons are not law's creatures but its proper point Talk of human flourishing's or wellbeing's aspects, and of principles of practical reason, should not be allowed to distract attention from an important truth, implicit both in classical Greek and Roman philosophical and juristic treatments of justice and in modern juristic attributions of human rights. What I love about the book is that it includes some pieces of history of the theatrical profession during that time period. Each new point will then add to the original theoretical path file.
