The plan was to take that money out of the banking system and let it do a few decades of social good, at which point Steves could sell the buildings to fund his retirement. My current and more sympathetic understanding is that the central goal of collectivist Ich esse mit Freuden mein weniges Brot and social conservatism as a political ideology is reserving resources for the in-group, a strategy that was necessary in earlier eras when the neighboring tribe was encroaching on your territory and daily survival was often uncertain. However, founders can also gain relevant human capital outside of school and work, often in ways they did not anticipate.
